APPLICATION FOR PERMISSION TO GENERATE ELECTRICITY FROM A SOLAR PHOTOVOLTAIC SYSTEM

An application is considered complete when the processing fee has been paid and all applicable and correct information required below, accompanied by the required documentation has been submitted.

A non-refundable processing fee of \$50.00 is required on the submission of this application

- Please refer to the Application Procedure Document when completing this form

SECTION A- GENERAL INFORMATION

APPLICANT INFORMATION

Name: -----

Address: -----

Telephone Numbers: - -----

Email Address: -----

LUCELEC Billing Account #: -----

Type of Installation: Commercial Domestic Industrial

Phase: Single Three

SECTION B -This section pertains to persons who have already purchased their Solar PV equipment and held prior consultations with LUCELEC

PHOTOVOLTAIC INFORMATION

If you have had prior consultations with LUCELEC, please attach documentation (Inverter, Photovoltaic module, and Panel information) to substantiate your response

SECTION B1 – Please provide details for your system below

INVERTER INFORMATION

No. of Inverters: -----

Manufacturer/s: -----

Model #: -----

Inverter Size/s (Peak Power): -----

UL 1741 Certified? Yes No if no state other certification -----

Proposed Inverter Location: -----

PHOTOVOLTAIC MODULE/PANEL INFORMATION

Manufacturer of PV Module: -----

PV Model/Series: -----

Proposed location of Installed Array: -----

Number of Modules: -----

Dimension of each Panel: -----

Power Rating of each module (kWp): -----

Voltage Range: -----

Does your system make provision for storage? YES NO

If yes, state capacity of storage (Ah) -----

UL 1703 Certified: -----

If not UL certified state other certification: -----

Total rating of system: -----

Please attach the One-line Diagram of proposed system

SECTION C- This section pertains to Persons who intend to purchase new Solar PV equipment and intend to consult with LUCELEC

INVERTER INFORMATION

No. of Inverters: -----

Manufacturer/s: -----

Model #: -----

Inverter Size/s (Peak Power): -----

UL 1741 Certified? Yes No if no state other certification -----

Proposed Inverter Location: -----

PHOTOVOLTAIC MODULE/PANEL INFORMATION

Manufacturer of PV Module:- -----

PV Model/Series: -----

Proposed location of Installed Array: -----

Number of Modules: -----

Dimension of each Panel: -----

Power Rating of each module (kWp): -----

Voltage Range: -----

Does your system make provision for storage? YES NO

If yes, state capacity of storage (Ah) -----

UL 1703 Certified: -----

If not UL certified state other certification: -----

Total rating of system: -----

Please attach the One-line Diagram of proposed system

SECTION D -The Land Register submitted with this application must be valid for at least one (1) month at the time of this application

LAND REGISTRY INFORMATION

1. Does the property on which the Solar PV system is to be installed belong to you?
- YES NO
- a. If the answer to the above is YES, please provide a copy of the LAND Register
- b. If the answer is NO, please provide a notarized copy of the letter of authorization from the land owner, or administrator or trustees for sale, along with the land Register

SECTION E

DECLARATION

I the undersigned hereby declare that the information provided in this application is held to be true.

Applicant Signature

Date

If this application form has been prepared by someone other than the main applicant, please provide details below:
